Expona Domestic

Polyflor

Domestic Grade Vinyl Plank

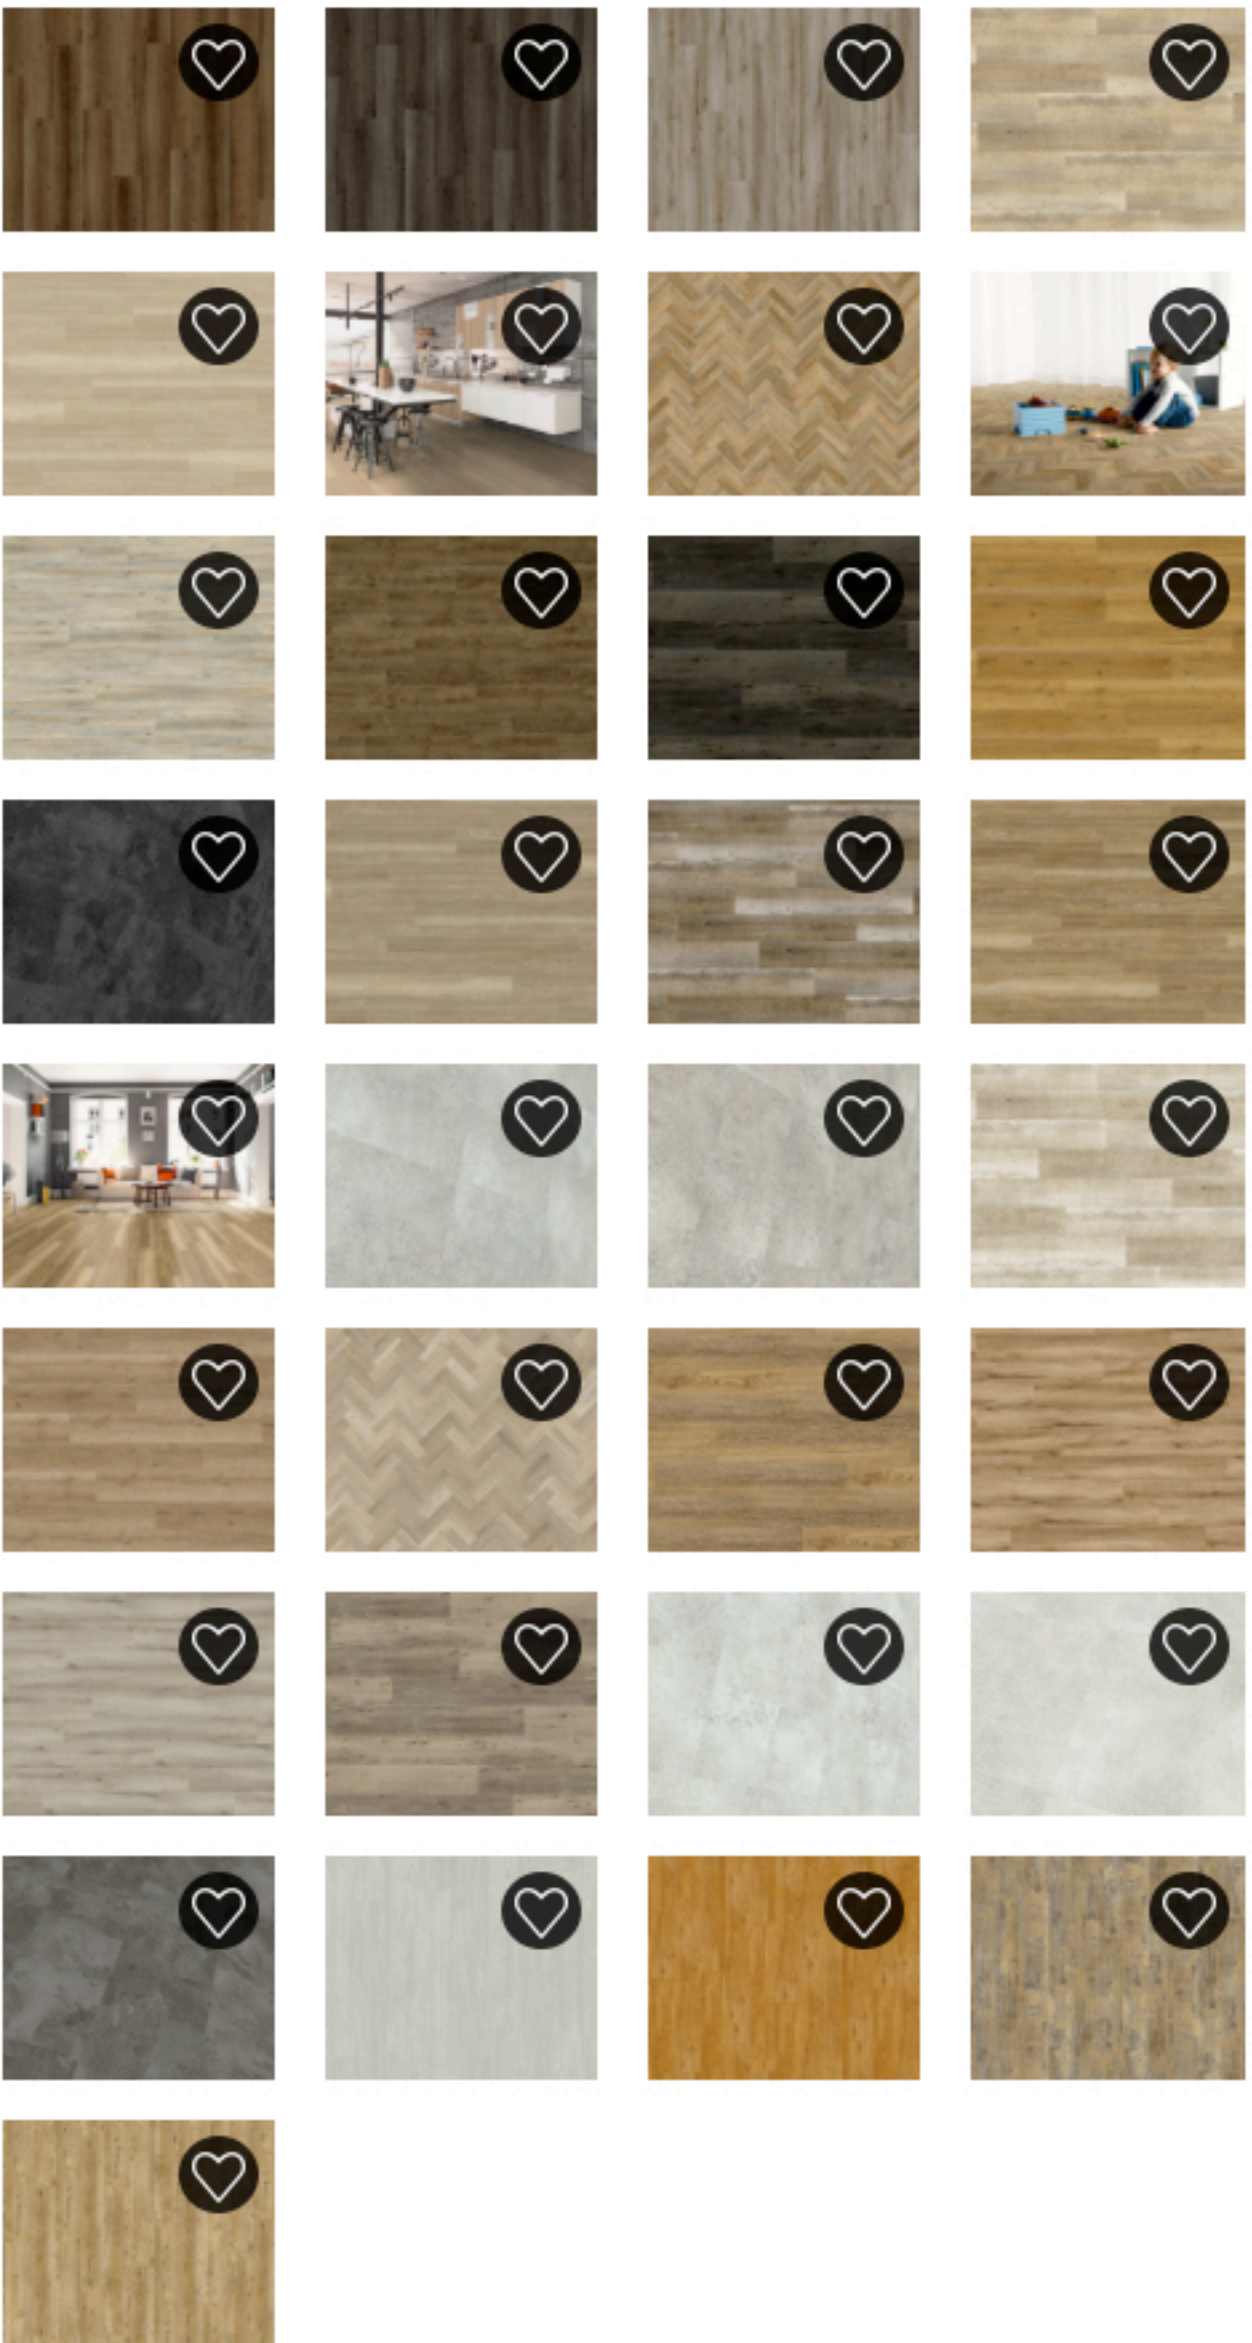

This range features realistic reproductions of wood, stone and concrete available in planks and tiles.

Suitable for residential applications including bedrooms, kitchen and living areas and light traffic commercial applications such as meeting rooms and offices. Quieter underfoot and impact resistant.

Our stock colours are shown, with a far more extensive range on display in our showroom.

Plank sizes: 184mm x 1219mm

Pricing is supply only and does not include installation. Vinyl Plank is priced by the square metre, but purchase is by the carton. Colours shown are a close match for online display, but may differ from in-store samples. Note that displayed colours may no longer be available at time of purchase or be on display at all The Flooring Centre showrooms. The above pricing is indicative only and may vary. See our full terms and conditions at the bottom of this page or see our team for more details.
